**NARRATIVE**

Unit 01, Unit 02 and Unit 03 were traveling southbound on State Route 9 NE approaching State Route 204, Lake Stevens, in lane number 2.

Unit 03 stopped just prior to the intersection at S/B State Route 9 NE and State Route 204 for my fully marked emergency vehicle.

While the listed vehicles were traveling southbound on State Route 9 NE, I was traveling eastbound on State Route 204 in a fully marked Lake Stevens Police patrol vehicle. The vehicle was marked with "Lake Stevens Police" graphics on the right and left sides. The vehicle was equipped with red and blue emergency lights and an audible, variable pitch, siren. I was operating the vehicle in full emergency mode with the red and white emergency lights operating and the audible siren activated as I approached the intersection of State Route 9 and eastbound State Route 204.

Unit 03 stopped for my emergency vehicle, then Unit 02 stopped directly behind Unit 03, but Unit 01 failed to stop and collided with the rear of Unit 02. Unit 01 drove under the rear of Unit 02. Unit 02 was pushed forward and collided with Unit 03.

On 7/15/2013 at approx 8:45 am, The car in front of me slammed on their breaks, I slammed on mine as well. I had about 5 inches between our cars when the car behind me hit my back end lifting my car on top of hers. I slightly tapped the car in front of me due to the impact. I was driving on hiway 9 going to work. I was about to go through the intersection of hiway 9 and West 204, the light was green and ~~the~~ I heard a siren. I thought it was a fire truck so I looked in my left side mirror and the car in front of the car in front of me slammed on their brakes, then the car in front of me slammed on their brakes and as soon as I looked back at the road I saw the car inches in front of me so I hit my brakes but it was too late.
